

## *Our Second Day of Prep.*

## **TUESDAY 23/1/18**

Today we went to the hall for our first Prayer Assembly where we heard the school theme song for 2018: This is me.

Then we came back to the classroom where we impressed Mrs Wardrop and Mrs Harris with our building skills, problem solving skills, colouring in skills, sharing and team work skills. But, without a doubt, our most favourite part of our day so far is lunch time where we get to play on the new playground and more importantly eat our food!
