Online Ordering is Here!

Our school has now introduced a great new online ordering system for Tuckshop called FlexiSchools. This system allows parents, students and staff to place orders from home or work at any time. The payment is also done online, so less paper bags, cash, cheques, and envelopes are sent via your student to school. As well as being convenient for parents, the online orders are much faster and easier for the school coordinator to process - so it makes everyone’s life a little easier. FlexiSchools is well established and tested, operating in hundreds of schools across Australia.

Getting online is easy and only takes a few minutes to register. Simply go to www.flexischools.com.au and click “Register Now”. You will be sent an email with further instructions on how to complete the registration. Once registered, you can start placing orders immediately. If you have any questions, FlexiSchools provide a great help desk on 1300 361 769, or you can contact them via their website.

There are a variety of payment options supported, including Visa, Mastercard (credit and debit) or Bank Transfer. The system operates via a pre-paid account, so you no longer have to worry about the manual process of sending payments into school, and you can easily budget your students spending and expenses throughout the year.

We have chosen a pre-paid account as our preferred option. This way you can order both lunch and afternoon tea in one transaction and place more than one day’s order. Using the pre-paid option reduces the amount of transaction fees and streamlines the ordering process. Other options are available but incur higher fees.

The system will be available from the start of Term 2, so we look forward to seeing your next order online!

If you have any questions about the online services we are introducing, please ask the school office for more information.
