## SUPPORT STAFF ACKNOWLEDGEMENT

This week, we took time to say 'thank you' to our support staff who are always there to assist students, staff and parents. Without them, our school would not be the community it is. We are lucky to call these people members of our school. Nothing is too much and they are always willing to go the extra mile. Thank you almost does not seem enough. ### Gospel Reflection – Sunday 8<sup>th</sup> September

Jesus' teaching and miracles have been attracting crowds of would-be followers. Sunday's Gospel challenges these followers to realise that discipleship has a cost. It's all very well to go with the crowd when the miracle-worker is in town and gaining popularity, but have these followers considered the consequences? Jesus speaks of the utter commitment needed to be a disciple. In Semitic fashion, he sets out the options in a clear 'black or white' extreme position. To 'love' Jesus means 'hating' all else.

In a world which spends millions on advertising and promoting products and causes, Jesus' words sound very strange. Far from advertising discipleship, his words sound discouraging. 'Take up your Cross' is hardly a caption that would sell Christianity. But this is just the point. Jesus isn't after half-hearted followers. He wants 'all or nothing' Christians, people who know what they are taking on and give a whole-hearted commitment.
